525 gallon Fertilizer Nurse Trailer
Extra Heavy Duty for Farm Use

Small but tough. For jobs where a 525 gallon tank fits the need, the Nurse Trailer provides dependable performance. Manufactured with extra heavy-duty materials and components, the Nurse Trailer is a workhorse that stands up to the challenges of real-life use. It boasts an extra heavy duty 5” channel iron frame (powder coated), extra heavy duty high speed cambered axels, 8000 lb slipper springs, a heavy duty jack, an extended frame for a rear bumper, and plentiful cross member tank supports. Backing up the performance of this well-made trailer is a 3-5 year tank and trailer warranty.
We are here to serve you. Just call or email with your project specifications and details, and we’ll do the rest. Our goal is to provide the best solution for your project, with materials delivered on time at a price that fits nicely within your budget.
