Professional Mobile Pressure Washer - 150 gallon 4200 PSI at 4.0 GPM Power, Vanguard V-Twin Engine

This commercial pressure washing system is built to handle the rigors of heavy use, with the flexibility needed to get the job done. Whether for municipalities, resorts, contract cleaners or mobile detailers, this DOT pressure washer trailer can go wherever the job demands. Equipped with a VANGUARD® V-Twin engine, electric start, and a CAT Pumps® triplex pump, you'll have 4200 PSI (at 4.0 gpm) at your fingertips. CETA certified and built with quality components, you can count on reliable performance for many years to come.

Pressure washer trailers are also available with other engines, pumps, and tank sizes. Additionally we carry several styles of hot pressure washer trailers. Ask us about options!

**Freight is included in the price for continental US destinations.
International shipping is priced separately.*
