

Express 1025 Gallon Water Trailer DOT Road-Ready Water Sprayer

The Express 1025 Gallon Water Trailer delivers water around your job site, farm, residence, or other remote locations for dust control, agricultural use, or wherever water access is limited. This product is DOT compliant for use on public roadways. Powered by a 4 HP Honda gasoline engine, the 2" aluminum pump gives you flexibility in controlling the force and range of the water flow. The rugged channel iron frame with the heavy-duty poly tank combine for a durable unit. The spray bar and the fire nozzle discharge hose can be used for a variety of water projects.
