

Express 1600 Gallon Water Trailer High Capacity Tank with DOT

For large capacity water storage and transportation, the Express 1600 Gallon Water Trailer is built tough, DOT compliant, and has the features you need to get the job done. Use it to transport water around your farm, construction site, residence or other remote location for dust abatement, agricultural use, or wherever water access is limited. This product is fully DOT-compliant for use on public roadways. The rugged channel iron frame with the heavy duty poly tank will provide many years of dependable performance. The spray bar, fire hose and nozzle, and gravity fed bib provide a variety of access options. Powered by a 4 hp Honda gasoline engine, the 2" Tsurimi aluminum pump gives you flexibility in controlling the force and range of the water flow.
