Hot Pressure Washer – 200 gallon

4000 PSI at 4.0 GPM Power, Vanguard V-Twin Engine & Comet Triplex Pump

For exceptional cleaning power, the 200 gallon hot pressure washer gives you the extra muscle needed for tough jobs. Built to handle the rigors of heavy use, this commercial pressure washing system is equipped with a Vanguard® V-Twin gas engine, electric start, and COMET® triplex pump. Whether for municipalities, resorts, contract cleaners or mobile detailers, this DOT hot pressure washer trailer can go wherever the job demands. CETA certified and built with quality components, you can count on reliable performance for many years to come.

Pressure washer trailers are also available with other engines, pumps, and tank sizes. Additionally we carry several styles of cold pressure washer trailers. Ask us about options!

**Freight is included in the price for continental US destinations.
International shipping is priced separately.*
