

Nurse Trailers Transport Liquid Safely

Nurse Trailers

These durable trailers are used primarily for transport, portable storage and nursing applications. With a superior frame construction, the industry's strongest tanks and customer-inspired plumbing packages to pick from, you can be sure we have the right setup for your application.

Quality Trailers

One Clarion liquid handling trailers are engineered from customer feedback. We include many unique features you won't find on other nurse wagons or cone trailers. Common liquids stored in our tanks:

- Water
- Liquid Fertilizer
- Industrial Chemicals
- Diesel Exhaust Fluid
- Liquid Feed
- Agricultural Chemicals and more.

Nurse Trailer (Ag-Series)

An economic, cost-effective option for transporting liquid around your farm or ranch, the Ag Series nurse trailer has been designed to withstand rough treatment when work is getting done. Ag trailers come standard with a Briggs & Stratton engine and are equipped with an extra-strong constructed design tube frame.

Nurse Trailer (DOT-Series)

The DOT Series Nurse Trailer family allows you to transport liquid safely while legally driving on state roads. Each trailer is equipped with a Honda® engine, a Banjo® pump and a DOT light kit (lights, brakes & fenders that comply with DOT standards). DOT trailers feature the Pin Mount™ system. All nurse trailers range in size from 500 to 1,600 gallons.

Cone Bottom Trailer (Double)

Available in either 5,000 or 6,000-gallon size, Double Cone Bottom Trailers feature hydraulic jacks, heavy-duty powder-coated steel frames and a built-in drainage system. These tanks include an industry-leading 10-year warranty and can be customized with your choice of pump and plumbing packages.

Cone Bottom Trailer (Triple)

Available in a 9,000-gallon size, triple Cone Bottom trailers feature hydraulic jacks, heavy-duty powder-coated steel frames and a built-in drainage system. These tanks include an industry-leading Ribbed Wall™ warranty and can be customized with your choice of pump and plumbing packages.

Accessories

We also offer a wide range of supporting accessories, including algae resistant black tank, [extended frame](#), [fire hose/reel/nozzles](#), suction hose/strainer/stand, tank sight gauge, engine & pump choices, [mixers](#), booms, nozzles, [power blankets](#), and much more.
