

Express 800 Gallon Water Trailer Dependable Water Transportation

The Express 800 Gallon Water Trailer is DOT compliant for use on roadways. Featuring LED brake lights, surge brakes, diamond tread fenders, an adjustable hitch, and safety chain, it includes everything to keep you safe on the road. The 800 gallon model has a high-capacity tank without the need for a CDL (check your local restrictions). The rugged 6" channel iron frame with the heavy-duty poly tank combine for a durable unit. The water trailer delivers water around your job site, farm, residence, or other remote locations for dust control, irrigation, and many other uses.
